Pre-Op Advice
There can often be long waits on the day of your procedure, this is totally normal so bring a few magazines or entertainment to pass the time.
- Check the Wi-Fi password
- No eating 6 hours prior to your admission time
- Only clear liquids up to 2 hours prior to your admission time
- If you have questions, do not hesitate to ask them the staff are extremely friendly
- Be prepared to take a routine pregnancy test
- Take a selfie in your paper pants and gown (no real reason but for a laugh)
- Don’t use deodorant or moisturizer the day of surgery

Most of all make sure you enjoy your journey as you will be 6 weeks post-op before you know it!
